

# ***The Biermann Family Connection***

by Schani Biermann  
Friday, 26 March 2010

I have done extensive research over the past 10 years on our Biermann ancestry. Our ancestors lived in Ostfriesland from about 1750-1860. The Biermanns were "arbeiter" (labourers) and worked the farmlands surrounding the parish towns of Hage and Nesse. In the 1860's some of the family moved to Hohenkirchen, a small village just north of Jever, in the Grand Duchy of Oldenburg, where my great-grandfather, Johann Heinrich Bernhard Biermann was born on May 11, 1862. JHB Biermann eventually moved to Nord Schleswig where he met his future Danish wife, Marie Cathrine Johansen. My great-grandparents had ten children, my grandfather, Heinrich Biermann, being the eighth child and fourth son. He was born in the village of Kobenhoved, northwest of Woyens, on October 4, 1898 at a time when that part of Schleswig was under German rule. My father Helmer Biermann was born in Skærbæk, Denmark on February 15, 1923. My father was only 4 years old when he and his parents immigrated to Canada, arriving at the Port of Saint John, New Brunswick, Canada on Easter Sunday, April 17, 1927.

I have just recently made contact with cousins John Biermann, in Dayton, Ohio, USA and Preben Bjørn Madsen, who lives in Denmark. John is a direct descendant of Johann Harms Biermann, b. in Nesse Parish, Ostfriesland 1804. I am a direct descendant of his brother, Bette Harms Biermann, b. 1810 in Nesse. Preben's grandmother Marie Margrethe Biermann and my grandfather, Heinrich Biermann (known as "heine"), were brother and sister. We all share the same gggg grandfather.

I presently live in Regina, Saskatchewan, Canada with my wife Veronica and my 2 kids > the "four-legged" kind. Besides my avid interest in family history research, I have been a Star Trek fan since 1966 and also enjoy collecting comics.

She married **HEYE JANSSEN DE GROOT** 26 August 1849 in Nesse, Ostfriesland<sup>34</sup>, s/o Jann Janssen DE Groot. He was born ca 1827<sup>35</sup>.

There appears to be a conflict in the church records. Her birth record has name as Hindertje "Janssen". Her marriage record shows name as Hindertje "Johannes" as well as birth and death record of first child and also birth record for her second child. On all other birth records for her children the *second* name is Janssen. Her marriage record clearly states 19 years of age, which puts her birth date in 1830. There are no other birth records for that year for any Biermanns in Nesse.

The name of Heye Janssen's father's is on his marriage record, noted as "arbeiter in Grossheide", a community located a few km southeast of Hage. The last name "de Groot" was probably adopted as a permanent surname by Heye's grandfather.
